Tuition Reminder...  
August 6th & 20th

August 2018

## Refer A Friend Promotion

It is the time of year to start our Refer A Friend Promotion. We ask that you refer a friend to enroll his/her child at Little Flyers Academy. Make sure they submit your name on their registration form. We have openings for Fall 2018 in our Infant, Toddler, Preschool, and Pre-K classes. After the friend has successfully completed 90 days of enrollment at LFA you **will receive a \$50 check**. Please keep in mind we are open to the Federal, Contractor Employees, Coastguard, and the Outside Community! The Refer A Friend Promotion will run from August 1st through September 30th.

## INCIDENT/ACCIDENT/UNUSUAL OCCURANCE REPORTS

There may be times when your child has an Incident/Accident/Unusual Occurrence form in their cubby for you to sign. This form is a positive form of communication and lets you know that your child possibly got hurt in an accident, had an incident you should be made aware of, or it covers unusual illness, rash, etc. Many teachers are gone during parent pickup and this form lets you know if anything out of the ordinary occurred during your child's day. **These forms are to be signed and left in your child's cubby or given to their teacher. The state of NJ requires LFA to keep them on file. Thank you for your assistance in this matter.**

LFA is CLOSED for CLEANING/  
PAINTING & LABOR DAY  
**August 27th through Sept 4th.**

### Important Phone #'s

Office 485-5429  
Infant room 485-9010,  
Twaddler Room 485-9011  
Toddler, Preschool, & Pre-K 485-5286

## NAEYC NOTE

Instead of following weekly themes a NAEYC classroom is a student directed classroom with the teacher as facilitator. The teacher learns your child's interests and incorporates them into the curriculum. These areas of learning are called studies and are labeled in your child's classroom. Students tend to learn more about a topic if they have an interest in it and learn through hands-on methods. LFA where learning is fun!
