Environmental Team Festivities

Our friends from the Tech Center Environmental Team will visit us April 18th to celebrate Spring in April.

There will be activities such as planting seeds, environmental games, and maybe a story to coincide.

Gertrude Hawk Fundraiser

Thank you for supporting the children of Little Flyers Academy by participating in our fundraiser. We sold \$905.00 of which we make 50% profit. These funds go directly to classroom supplies and the LFA tuition assistance program.

Clothing Bin

Please remember to check your child’s clothing bin and make sure you have two entire sets of appropriately sized clothing.
